WHY NOT STAY FOR A "WILD" SOCIAL NIGHT AFTER THE EVENT?

This rogaine will be held on properties in the Coomalie East region, so it's a wonderful opportunity to experience a beautiful spot in the Top End. Early registration closes 4th May.

What is a Rogaine? It is an activity that uses a combination of orienteering and bushwalking skills, so come and try. All you need is a compass, sturdy footwear and a sense of adventure. Someone will be there you to help you get started.
