And then 2 weeks later just up the track ...

NT Orienteering Championships 2007

To be held August 11-12 at Monte Titano

Monte Titano is a new map approx 80 km south of Darwin near Lake Bennett. Terrain varies from steep and rocky to flat plains filled with mango trees, and will make for interesting and challenging courses.

In traditional European style there will be plenty of spaghetti and the vino will be flowing. So come sample the unique flavour of the Top End.
